Current Situation

High pressure continues to remain over the fire area, higher temperatures, lower Rh, and shifting winds still pose a threat for increased fire activity within the wilderness. Fire crews remain engaged in suppressing hot spots and completing control lines. Suppression repair will continue throughout the fire area. CAL FIRE INCIDENT MANAGEMENT TEAM 4 prepares to return command to CAL FIRE San Luis Obispo County, and The United States Forest Service that will remain in unified command. Resources continue to be made available for other fires throughout California.

With fire season here homeowners should make sure that they live a fire wise lifestyle. Please visit <http://www.preventwildfireca.org> to see how one less spark could mean is one less wildfire.

A Forest Closure Order was ordered for the Santa Lucia Wilderness Area in the Los Padres National Forest. For more information please visit <http://www.Inciweb.nwcg.gov>
